I'm Layma, I am from the country of Serbia. You can see it at the map on the Internet, where this country is located. My age is 28 years old, and many friends say that outwardly I looks much younger. I'm very lonely in my life, and I'm searching for a good good man for a love relationship from another country. I want to find a real man from another country. I want to be my whole life with such a man!

If you are interested in taking acquainted, so give me your reply, and in the follow message I will be happy to see your photos. I hope to receive a quick reply from you.

With best wishes and kiss. Laymina
